

Celebrate Minnesota Water

Minnesota's waters flow outward in three directions:
North to Hudson Bay in Canada, east to the Atlantic Ocean,
and south to the Gulf of Mexico.

Match each number from the map to the river it names.

Minnesota

Mississippi

Rainy

Red

Root

Rum

St. Croix

St. Louis

List 4 ways that YOU can help protect our rivers:

1. _____

2. _____

3. _____

4. _____
